

**YOU CAN
HELP
FEED
THE
NEED**

This is your community—own a piece of it.

You could provide more than **200 pounds of healthy food** for a local food bank.

\$1 per week

If you have ever had a toothache, you know how much it hurts. Your pledge could **help 26 patients access emergency dental care**. Community Dental uses United Way funds to offer Care through a Patient Assistance Fund for those who could not afford services otherwise.

\$2 per week

Your gift would **ensure a nutritious meal reaches a homebound senior once a week** throughout the year. In addition to the meal, there is regular personal contact that helps keep a senior safe and engaged.

\$3 per week

Your contribution could **help provide respite care** for a family caring for an adult with special needs.

\$4 per week

Your donation would **allow five people to leave a domestic violence situation** this year. Safe Voices in Farmington can provide food, shelter, and court advocacy.

\$5 per week

You could **connect 37 kids and family members to direct supports**, like cribs, diapers and clothes, as well as critically important **parent and community education classes and programs** through the Franklin County Children's Task Force.

\$10 per week

During the cold winter months, your generosity could **help keep up to fifteen families warm** with a 50 gallon delivery of fuel. This could mean all the difference.
